Dear Sir,

RE: Refund of US 250 as per my letter dated March 10 2008.

Subsequent to my above letter and through the help of one Cynthia Streater, I discovered that a refund was paid around May 2007. Therefore, my sincere apology as I was unaware of any refund at all and was working on the premise that the USPTO had deliberately ignored my repeated requests to look into this matter.

As noted, there was NO notice of a refund mailed to me and only with a detailed check on PAIR revealed an accounting entry reversing the amount on 3 Feb 2007. I am unsure why this credit note was not mailed to me. Maybe it was but I sincerely did not receive this. Considering the above, I hope you will accept my apology for causing any inconvenience and this matter is now consider closed.

Yours

Khai Kwan
